An opportunity to view the way a braid has been dyed then provide a small toolkit of strategies to spin the fibre into a unique yarn

**SKILL REQUIRED:** For Spinners of all skill levels. Students must be able to spin a continuous thread

### What you will Learn

- A set of practical, consistent methods to work with multi-coloured braids
- The ability to transform painted braids into uniquely interesting, coloured yarns
- The tools to experiment further

### What you will get:

- Notes will be provided as both hard copy for the class and soft copy for your computer (this one will be in colour).

### What you need to bring:

- Spinning wheel in working order, either a manually operated one or electric.
- A multi coloured braid of at least 100g.
- To maximise the use of the created yarn participants should consider having a second braid of the same or something complementary that can be used together

**If COVID-19 restrictions are increased and the Guild must close both classes will be presented online.**
