This class is for beginners

Pin Loom Weaving will provide guidance in weaving a square piece of fabric on a small pin loom, and advice on finishing, joining, what to make from your squares and ideas for taking the craft in new directions.

Trudi has been exploring weaving for the last twelve years, from tiny looms you can fit in your pocket to floor looms that would fill a bedroom, and likes to make and invent weaving equipment

Pin Looms are

- Portable and easy
- Good use of yarn leftovers
- An hour here and there adds up to a beautiful object
- instructions to make your own looms

Materials Required

- A small square pin loom, long pin loom needle available for purchase from the Guild in December
- 8ply yarn,
- tapestry needle,
- pen and notepad.

If COVID-19 restrictions are increased and the Guild must close both classes will be presented online.
